

BLOXR® XPF® Scatter Radiation Protection

Check out all the benefits of BLOXR XPF protection.

- ✓ Patented non-lead protection.
- ✓ 0.5 mm Lead Equivalency.
- ✓ Machine washable -- tested to 36 cycles.
- ✓ Bilayer design with a core material that does not crack or break.
- ✓ Three year warranty, long-lasting -- many users are in their 7th year of continuous use (validated by Faxitron).
- ✓ Half the weight of traditional lead.
- ✓ Full line protection company -- protecting the head, eyes, neck/thyroid, body, breast and hands.
- ✓ Superior protection to all other brands and compositions at sub-40 kVp levels, which pose significantly deleterious risk to human skin tissue.
- ✓ FDA cleared; UDI compliant.
- ✓ ISO 13485.
- ✓ Environmentally friendly -- made without toxic materials and heavy metals.
- ✓ Garments can be bent or folded without harm -- tested to 1 million cycles.
- ✓ No specialized disposal is required, garments can be discarded in the regular trash.
- ✓ Made in the USA.
- ✓ Patented UltraBLOX® hand protection affords superior protection to lead or bismuth gloves.
- ✓ Supported by independent studies, testimonials and articles about the efficacy of BLOXR technology.

Unsurpassed Quality and Personal Protection. With So Much at Risk, Why Compromise?
