▶ Embroidery/Monogram

Personalize a garment with an embroidered name, nickname, initials, facility, department, etc.

PN	Description
600004	Directly on garment, 1 line
600005	Directly on garment, 2 lines
600002	Patch, 1 line
600003	Patch, 2 lines

See below for character limits

Important:

• **ACCURACY:** Verify the correct spelling, including any spaces, punctuation, and capital letters.

• **FONT:** Select Block or Script.

• **STYLE:** Select Direct or Patch.

• **PATCHES:** Patch color matches garment color, except a patch on SKUC fabric will be solid black. Attachment is velcro-type hook/loop. (On request, patches can be permanently sewn to garment.)

• **LOCATION:** If not standard placement, specify location on garment.

• **MAXIMUM CHARACTER LIMITS:** Ensure the limit hasn't been exceeded:

On pocket: 24 characters max including spaces and punctuation (if more than 2 capital letters are used the max is 20 characters).

Above pocket: 28 characters max including spaces and punctuation.

• **THREAD:** Specify thread color if not standard.

White thread is standard, except black thread is standard on YEL fabric and red on SKUC fabric.

Thread colors do not exactly match fabric or binding edge colors.

▶ Logo Embroidery

Personalize a garment by adding an embroidered logo. Choose an in-house design* (shown at right) or provide your logo in a high resolution file (300 dpi) - PNG, JPG, vector, EPS files accepted.

PN	Qty
600009	Add 1 logo
600008	Digitizing fee

Specify location: on or above the pocket.

Digitizing Fee is a one-time charge to convert your logo into a sequence of embroidery machine instructions for sewing.

*Most designs look best on solid color fabrics.

Logo Alternative: Customer may provide a pre-purchased sew-on patch (not iron-on) for attachment to garment.
